Spodnie z certyfikowanych materiałów typu Softex. Przędza z której wykonano te modele oddycha utrzymując przy tym ciepło ciała. Idealne dla osób uprawiających sportowy tryb życia.

Clothing with certificated materials such as Softex. Yarn, from which these models are made, is breathing while in the same time maintaining body heat. Perfect for people who have sport model of life.

Одежда из сертифицированной ткани типа Softex. Пряжа из которой сделаны эти модели дышит и идеально сохраняет температуру тела. Идеально подходит для людей, которые ведут спортивный образ жизни.

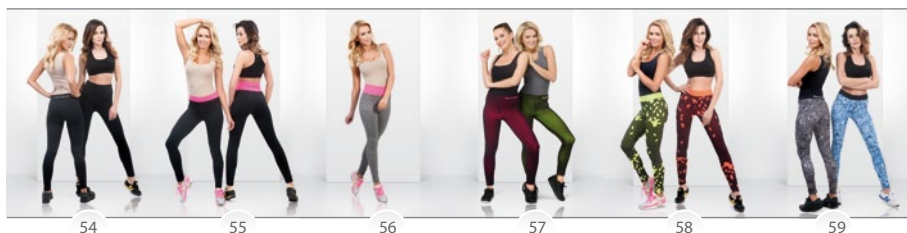

NILIT SOFTEX®

PRZĘDZA TYPU NILIT SOFTEX jest materiałem technicznym bardzo wysoko cenionym ze względu na jego właściwości, tj. transfer wilgoć na zewnątrz i szybkie schnięcie. Mikro jest konkretnym typem poliestru splecionym z najcieńszych włókien. Mikro jest wzmocnione i ma zwiększone techniczne właściwości dając efekt miłszego w dotyku.

NILIT SOFTEX type of yarn is a specialistic cloth valued for its unique properties. It transfers all the wet outside the material and becomes dry very quickly. Mikro is a specific type of polyester created from the thinnest fibre. It is also extra strengthened which extends its technical properties and makes it much softer while touching.

Пряжа типа "NILIT SOFTEX" является материалом высоко ценившимся из-за его свойств т.е. перенос влаги наружи и быстрое высыхание. Микро это специфический вид тончайшего плетения волокна полиэстера. Микро усиливается и увеличивается техническое свойство, дающее эффект более приятным на ощупь.
