The latest collection of patterned tights for the fall/winter season is mysterious and dreamy, like the beautiful night butterfly. The *Catalana* motionlessly blends in with the bark of trees, and when it flies, its wings look like floating leaves. Its coloration is evocative of velvety moss, intricate Spanish lace or patchwork embroidery in shades of black, brown, even navy or purple. It is these patterns and colors, which are the theme of our winter line.

This year's edition of the Golden Line is extremely feminine and elegant, but also comfortable, like a second skin. The patterns used are dominated by classic, timeless forms: polka-dots, stripes and bows, but we will also find more intricate floral motifs, subtle decorations, and glittering threading. In addition to tights, this season year Fiore has also put out warm over-the-knee socks and shiny socks, which will go perfectly with pants.

Najnowsza kolekcja rajstop wzorzystych na sezon jesienno-zimowy jest tajemnicza i oniryczna niczym piękny, nocny motyl. *Catalana* w bezruchu zlewa się z korą drzew, a w locie sposobem ułożenia skrzydeł przypomina liść. Jego ubarwienie przywołuje skojarzenia z aksamitnym mchem, misterną, hiszpańską koronką czy patchworkowym haftem w odcieniach czerni, brązu, czasem granatu lub fioleto. Te desenie i kolory są motywem przewodnim zimowej linii.

Tegoroczna odsłona Golden Line jest niezwykle kobieca, elegancka, ale i komfortowa, niczym druga skóra. Wśród wzorów królują klasyczne formy: kropeczki, prążki, kokardki, ale odnajdziemy tu również motywy roślinne, subtelne urozmaïcenia i zdobienia połyskującą nitką. Oprócz rajstop w tym sezonie przygotowaliśmy ciepłe zakolanniki oraz błyszczące skarpetki, idealnie pasujące do spodni.
